The next build for Diablo III Patch 1.0.8 is getting prepared, [diablo 3 gold](#), to go on the Public Test Realm. An early data-mining look at the files from the next PTR build show more changes to skills, primarily boosts to Life Regeneration within skills, as well as some promised damage buffs to Firebats and Ray of Frost. Changes to passive skills reflect the increased support for multiplayer in 1.0.8: Inspiring Presence now affects everyone in the group instead of just the Barbarian, [buy diablo](#)
