Seychelles and La Reunion sign co-hosting agreement

The President of the Regional Council of the French island of La Reunion, Mr. Robert Didier, and Seychelles Tourism Minister, Alain St.Ange, signed a new agreement on the sidelines of the just-concluded “carnival of carnivals” – the Carnaval International de Victoria - which cements the three-year-old relationship between the two leading Vanilla Island partners for future events.

La Reunion will continue to co-host the annual carnival festival alongside the Seychelles, giving substantial additional exposure in the international tourism markets to La Reunion, which by admission of key staff attending the carnival last week in Victoria has given their tourism sector a major boost vis-a-vis visibility and market penetration.
