The [2014 arrival forecast for Greece](#) is still set at **19 million tourists**, despite a drop in arrivals of Russian and Ukrainian visitors, the Association of Greek Tourism Enterprises (SETE) said in an announcement on 12 August.

SETE came to this conclusion after processing international arrival figures for the first seven months of the year. According to the data, **international arrivals at Greece's major airports during the January-July 2014 period were up by 16.5 percent** compared with the same period in 2013.

Overall, **some 8.1 million arrivals were recorded in Greece** during the first seven months of the year.
